**CABLE ENTRY:**
The cable entry hole in the wall plate is centred horizontally and vertically

**FRAME FINISH:**

Antique Black

Available with black, brushed brass and custom back panel overlays

**MATERIALS:**
Body in Zintec – optional brushed brass back panel overlays and end panels
Glass – 3mm clear heat toughened

**COUNTRY OF MANUFACTURE:**
UK

**WARRANTY:**
24 months from date of shipping – see conditions on our web site

**INSTALLATION:**
To avoid the risk of injury, we recommend all our lighting is installed by a qualified electrician

**CARE INSTRUCTIONS:**
Special care should be taken when cleaning our 'Berlin' lighting range to avoid damage to the decorative surfaces. Accordingly we recommend using a lint free cloth only with any non-aggressive glass cleaner applied sparingly to the cloth rather than the product
