

# 300mA Mains Dimmable DRIVER-M-300-2

## Wiring

Wire + (SEC) to red luminaire cable

Wire - (SEC) to black luminaire cable

Wire 1~2 (PRI) to mains live and neutral cable

Maximum 20m from driver to luminaire

## Driver Details

Input Voltage	220 - 240V AC
Control Type	Leading/Trailing
Output current	300mA
Output Voltage	15 - 30V DC
Output Power	4.5 - 9W
Maximum Power	9W
Typical Efficiency	>83%
Power Factor	>0.95
Inrush Current	5A

Environment	
Ambient Temperature	-20°C to +55°C
Lifetime	50,000hrs
IP Zone	IP20
